### **BAR BABY CO IS A DRY HIRE BARTENDING SERVICE - HOW DOES THAT WORK?**

*Simply put, we provide everything but the alcohol. Most bartenders and caterers with a liquor license will up-charge the alcohol to cover costs. By hiring Bar Baby Co., we aim to take the guesswork out of bartending and save you a pretty penny.*

*You'll be provided with a consultation and customized shopping list based on your party's needs. Based on your price point, you then choose the alcohol vendor and buy it directly. Our proposals try to be all-inclusive and easy to understand, with no surprise charges.*

### **WHAT TYPES OF EVENTS DO YOU SERVICE?**

*We love to serve guests at all kinds of events, including weddings, company picnics, corporate parties, birthdays, reunions, tailgates, and festivals & markets (only when sponsored by a nonprofit/501(c)3 organization).*

### **WHERE ARE YOU LOCATED?**

*We are based in Walnut Creek, California. Our Packages include 50 miles round-trip from zip code 94596, with a small charge for additional miles. Don't forget -- we are on wheels and love a good road trip! Feel free to reach out to discuss outside areas.*

### **ARE YOU INSURED? WHAT KIND OF PERMITS ARE REQUIRED?**

*Yes, we have general liability insurance and liquor liability insurance. Your venue may need to ask us some questions about licensing, insurance and service policies and we'll be happy to oblige. If your venue or caterer requires it, we'd be happy to list them as additionally insured.*

*If applicable, it is your responsibility to obtain the proper permits for your event. We cannot serve in public spaces without a non-profit partnership due to CA state liquor laws. When we partner with a non-profit to serve publicly, the non-profit partner must apply for the applicable permits.*

### **DO YOU RENT OUT YOUR BAR AS A PROP? OR ALLOW OTHER PEOPLE TO USE IT?**

*Nope, sorry.*

## FREQUENTLY ASKED QUESTIONS

---

### **HOW DO WE BOOK?**

*Start by shooting us an email at our contact page and we can chat about the details of your event! We require a 50% deposit and a signed contract to save your date.*

### **WHAT DOES YOUR TRAILER REQUIRE FOR SPACE?**

*The horse trailer bar is approximately 13 feet long and 7.5 feet wide. We require flat ground for service, early access for set-up, and one 120-volt standard outlet within 100 feet. If your party's in the boondocks with no electricity, we can add a generator to your proposal (for an additional charge).*

*The space must also be accessible from a wide and easily traveled road. We need enough space to park it, and load in/load out with a full-size truck. Please contact us if you have concerns or questions about the site you plan to use.*

### **DO YOU SERVE OUT OF PLASTIC CUPS OR GLASSWARE?**

*We no longer serve libations out of glassware. Unfortunately, we do not have adequate space for glassware on the trailer or a way to bus and clean the glassware. But don't worry — we aim to create such a beautiful cocktail, your guests won't even remember they're drinking out of a plastic cup! If you are interested in an elevated option, we recommend Tossware products.*

### **WHAT ABOUT LARGE EVENTS OVER 150 GUESTS?**

*One bartender for every 75 guests is our limit in order to deliver exceptional service. The last thing we want is a long waiting time at the bar. Therefore, we typically cannot accommodate events with over 150 guests. Please inquire if your guest list is very close to 150.*

### **WHAT IS YOUR REFUND POLICY?**

*When securing a date with us, we turn down other potential clients and income for that date, therefore refunds are not given under any circumstances.*

### **WHAT ABOUT NON-ALCOHOLIC BEVERAGES LIKE SOFT DRINKS?**

*We always offer a complimentary self-serve water station. For non-alcoholic beverages, you have two options — You provide the non-alcoholic beverages, and we will serve them free of charge! Or if you'd like us to provide soft drinks, that's an optional add-on.*

*Please note for the Beer, Wine & Well Drinks package, we bring lots of mixers including Coke, Diet Coke, Sprite, club soda, tonic, cranberry, pineapple, and orange juices. These are used for simple well drinks like G+Ts or Rum-Cokes. Keep in mind, we bring these in quantities for mixing only; please plan accordingly for non-alcoholic beverages.*

### **CAN I HAVE SELF-SERVE ALCOHOL AT THE EVENT (LIKE A WALL OF BEER TAPS OR A TUB OF CANNED BEER)?**

*Unfortunately, our insurance policy does not allow for others to serve alcohol at the same event in any capacity. It becomes a liability concern. Bar Baby Co. must be the sole provider of service.*
